Wiscasset Parks and Recreation is excited to announce that we are jumping into our 1st year of our Football affiliation with Boothbay and Coastal Youth Football League for the upcoming 2022 season.

This is no longer just the Boothbay Youth Football League, we are expanding it to the Mid-Coast Region.

We are joining forces with the Boothbay Region and other area towns to offer football to a more widespread audience.

This program is based on age appropriate levels, flag and tackle, giving our youth a competitive level of play with kids of similar skills and age.

There are four other leagues in our area,

Five Town Football, Belfast Lions, Medomak Valley Panthers & Oceanside Mariners.

Levels of play:

Pee-Wee: Grades 1—2 (Flag)

Junior Varsity: Grades 3—4 (Tackle)

Varsity: Grades 5—6 (Tackle)

Practices for Junior Varsity & Varsity programs will start the week of Monday, August 8th.

Pee-Wee (Flag) will start the week of Monday, September 5th, determined by registration whether this will be intramural or league play.

Registration is open, register today at www.wiscassetrec.com
