Youth Football Summer Camp Information and registration!

Wiscasset Parks and Recreation is excited to announce that we are taking registration for Youth Football!

This is our 2nd year of our Football affiliation with Boothbay and surrounding towns. This season we are affiliated with the Central Maine Football League.

We are joining forces with the Boothbay Region and other area towns to offer football to a more widespread area, building interest for all communities.

This program is based on age appropriate levels, flag and tackle, giving our youth a competitive level of play with kids of similar skills and age.

We are playing in the South Division of the Central Maine Football League, playing against teams from Gray-New Gloucester, Lisbon, Maranacook, Oak Hill, Tri-Town and Winthrop/Monmouth.

Levels of play:

Pee-Wee: Grades 1—2 (Flag)

Junior Varsity: Grades 3—4 (Tackle)

Varsity: Grades 5—6 (Tackle)

Practices for Junior Varsity & Varsity programs will start the week of Monday, August 14th.

Pee-Wee (Flag) determined by registration whether this will be intramural or league play., strat date to be determined.

Registration is open, register today at www.wiscassetrec.com
