

COASTAL Babe Ruth League

Boothbay Region

2020 Season Safety Rules

If a child is sick or has traveled, they will need to adhere to the state issued quarantine rules.

No child will be allowed to practice or play with signs of illness.

Waivers will be signed by all player's parents or adult guardians, coaches, and volunteers.

Social distancing will be constantly directed. There will be designated spectator area. Parents will not be allowed along the 1st and 3rd base lines.

Players will only drink from their own bottles. There will be no water provided. It is your responsibility to pack your child their own drink and snack. No sunflower seeds allowed.

Dugouts will not be used for teams. They will only be used for one of the on -deck batters. This will allow for 1 on deck batter and one other batter to be in the traditional dugout. Players will be seated outside 6 ft apart down the 1st and 3rd baselines and will be clearly marked.

Umpire will call the game from behind the mound.

No sharing of bats or any equipment, players will supply their own equipment or be assigned equipment for the season

Baseballs will be disinfected between innings during live game play.

Teams will be asked to wait in their cars until the fields are empty if being used.

Parents are always also asked to maintain distancing and only one spectator per player at a time will be allowed on the field. Parents are requested not to be on or near the fields during practice.

We will be providing hand sanitizer. Players will be required to use this when entering the facility and when coming on and off the field.

There will be no hand shaking amongst coaches or players after the game.

A coach or players will use a mask if coming into contact or discussing anything in close contact with a player or opposing coach.

These rules are fluid and will change as state, local or federal guidelines are issued
